Dear Sir:

I have just received the financial statement from Major Jackson of the East-West game for 1939. Thanks very much.

Twenty dollars(\$20.00) has been allowed Mrs. Manley for expenses from the East account. I do not want the \$20.00 for my expenses, but I want the check to deposit in the Negro National Leagues's account. I will appreciate it very much if you will twll me from whom I can obtain the check.

I hope our game in the East will be as successful as the one in the West. Thanks for all assistance and courtesies.

Very truly yours,
